Hello! Thank you for participating in the **Predictive Maintenance – Hands-On Workshop**.

To participate in the session, we will be using **MATLAB Online**. **MATLAB Online** is a browserbased application that allows users to use MATLAB from any browser. This is a free service, given as part of any MathWorks Account. If you are a student, maybe your campus also has a Campus-Wide License, simply sign up using your university email address.

STEPS TO FOLLOW:

- 1. Create Mathworks Account
- 2. Create Trial License

1. Create Mathworks account

Reference: <u>https://www.mathworks.com/matlabcentral/answers/361072-how-do-i-create-a-mathworks-account</u>

a. Go to MathWorks Account Creation page -> Click Create One.

Email				
No account?	Create onel			
By signing in	you agree to o	ur privacy po	écy.	

b. Provide the required information as below -> Click Create

Create MathWorks Account

Email Address	acolon@	.edu 🥑							
	To access your organization's MATLAB license, use your work or university email.								
Location	United States	~							
Which best describes you?	Student	~							
Are you at least 13 years or older?	● Yes ○ No)							
		Cancel Create							

c. Click verify your email. Please do check inbox/junk mail if the email is not exit or check with IT Department whether the Mathworks' domain is block.

2. Create Trial License

a. Browse/Search Request Trial MATLAB

b. Sign In details as below info. The page will prompt you to sign in if you are not yet logged in to your account.

https://uk.mathworks.com/campaigns/products/trials.html

MathWorks*	® 11
Try MATLAB,	Simulink, and More
Get a Free 30-Day Trial Run MATLAB in your browser or download and install on your desktop. See products included in the trial	Sign in or create account Enter your contact information to continue Work or university email*
	*Required field

c. Sign In details as below info. Choose Your Trial > Predictive Maintenance Toolbox

d. Once the page is prompt, click "Open MATLAB Online to begin. OR can sign in with your MW account for this access : <u>MathWorks Account Sign In</u>

e. Now you can start working with MATLAB Online. For Drive Online you can access too via this link <u>https://drive.matlab.com/login</u>. This is enabled you to access the related workshop material during the session.
